## **Footwear Franchise Opportunities Greenleaf**

Agra, Uttar Pradesh India

GreenLeaf is one of the fastest growing footwear manufacturing companies involved as shoes and footwear manufacturers in India. Within a short span of time the company has grown multifold in the domain of shoes and footwears with vaious leathe products and industial leathe safety shoes manufacturers. The company is alos exporting its footwears to vaious countries and its footwears and leather products are also shelved in various leading shopping malls in vaious cities in India. The company is spearheaded by Mr M.P Singh a footwear technologist and with a wide experience in footwear manufacturing and designing. The vertically integrated structure of GreenLeaf provides the support and strength to face the toughest market competition. Each department in the vertical format of Greenleaf is a growth engine in itself, and its uniqueness lies in its structure. Greenlead Footwear has one of the most advanced manufacturing facilities in India. Its poduction capacity of ove 2500 Pairs a day are produced from its poduction unit based in Agra. since footwear as a commodity in India attracts the highest tax incidence, unlike other wearing apparel which for reasons known only to Govt. of India, are exempted from the heavy tax burden.
