Our Inspiration: India has an opulent heritage, which is evident in its culture, tradition and customs. The lifestyles of India present a lucrative source of information about the various handcrafting techniques of both home & body decoration. The culture has been adored and preserved by the proud Indians since the days of yore. Believed to be the oldest heritage of the world, Indian culture has also been proved scientifically accurate. No wonder, the whole world recognizes and utilizes the benefits, which India has gifted them.

Our Business Mission: We aspire of achieving long term business relationship with our clients based on strong business ethics. This encourages us to maintain high standards of quality while adhering to strict delivery schedules. Sangeeta Enterprises manufactures and exports fashion jewelry, fashion accessories and gift items. Catering to the diverse needs of global buyers since 2001, our products are a perfect blend of traditional craftsmanship and contemporary design.
