SOY MILK SUPPLIER & MANUFACTIURER IN INDIA We are leading manufacturer and supplier of soy milk in india. Soy milk is manufactured by soaking soybeans, grinding them with water. The fluid which results after straining is called soy milk. Every drop of our soymilk begins with natural beans grown without genetic engineering. Soy milk resemble quite like dairy milk in appearance. soy milk is protein rich and is also composes of iron, unsaturated fatty acids and niacin as compared to dairy milk. Nutritional values of soy milk Plain soy milk is very nutritive: it's an excellent source of high quality proteins, isoflavones and B-vitamins. Soy milk is free of the milk sugar (lactose) and is a good choice for people who are lactose intolerant. Also, it is a good alternative to those who are allergic the proteins of dairy milk. Soya Milk is cholesterol free and contains important phytochemicals. Statics proove that daily Soya Milk consumption reduces the risk of prostate cancer by almost 70% and Consumption of Soya Milk lowers blood pressure in men and women. We also manufacture following flavoured soy milk Vanilla Flavor Soy Milk Coffee Flavor soy Milk **SOYA BISCUITS & SOY COOKIES SUPPLIER & MANUFACTIURER IN INDIA**
