Collage Artists India

Indore, Madhya Pradesh
India

The Artist Mr Manihar Baheti is a leading Industrial based in central India in the city of Indore has been very creative with paper collage art painting. The imagination, until now communicated in designing perfection at long last attracted him to collage art. He picked abstract composition as medium of articulation, working out easily for him as a specialist, adroit at synergistic components to create an alternate impact. His arrangement of time, made carefully and constantly more than 15 years from the gathering of more than 10,000 printed watches, has now arrived at realization now. Myartoftime.com : is a collage art website that displays the creativity of the collage artist Mr Manohar Baheti's collage artwork. The website is regularly updated with the latest collage art painting of the artist. The thems of the collage art as already mentioned is the collage art painting that has been create with the use of watches.
